INDEX OF GEODETIC CONTROL DIAGRAMS

FOURTH QUADRANT STATES

(Shows areas of coverage of the fourth quadrant triangulation and the Coast and Geodetic Survey quadrangle network, namely, ND, SD, WY, CO, UT, NM, AZ, and HI. The diagrams are arranged in the same sequence as the maps of the same regions. To obtain the new diagram of the fourth quadrant for a particular state, add the number of the state to the diagram number. The hand lettered numbers on the control district designations are not included in the index.)

COAST AND GEODETIC SURVEY diagrams of the locations of points and the triangulation and the quadrangle network of the Coast and Geodetic Survey are available at no charge. To obtain several points, or for a copy of a diagram, or for a copy of the entire network of points and the quadrangle network, write to the Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20402.

INSET AREAS

(Shows areas of coverage of the Western United States and the Puerto Rico and Virgin Islands quadrangles. The diagrams are arranged in the same sequence as the maps of the same regions. To obtain the new diagram of the Western United States or the Puerto Rico and Virgin Islands quadrangle, add the number of the state or island to the diagram number. The hand lettered numbers on the control district designations are not included in the index.)

SUPPLEMENTARY DIAGRAMS

The Coast and Geodetic Survey publishes supplementary horizontal control diagrams for the states of Alaska and Hawaii and the Puerto Rico and Virgin Islands quadrangles. These diagrams are used to supplement the large-scale diagrams and are arranged on the basis of the diagrams indicated on the large-scale diagrams. The hand lettered numbers on the control district designations are not included in the index.)
